Terms and conditions

I agree to notify IIH UK of any significant changes in the particulars of the grant, occurring either before or during the period of the award period. I warrant that no obligations to other bodies have been entered into, which are inconsistent with the terms of this agreement. I will not at any time in the future enter into any such obligations without the previous written consent of IIH UK. Where research is carried out on IIH UK's members and/or other patients I agree that appropriate ethics applications will be made. I further agree that pwIIH and other conditions will be treated with

courtesy and consideration at all times. I shall be actively engaged in the day-to-day control of the project.

If a grant is made, I will ensure that the funds provided are used for the purpose for which they have been given. I confirm that I have read and accept the conditions under which grants are awarded and that it is our intention to maintain our support for this department during the period for which this grant is requested. I warrant that no obligations to other bodies have been entered into, which are inconsistent with the terms of this agreement. I will not at any time in the future enter into any such obligations without the previous written consent of IIH UK. I confirm that this institution will meet any costs arising from maternity/paternity or sick leave and redundancy.
